*In the spring some flowers grow
Sometimes I can grow
My hair can grow
My clothing gets smaller
And I get big!*

*There is a flower in the park
That first started with a seed in the ground
We fed the flower water, sunlight and air...
That is what helped the flower grow.*

*I am like a small tree
Because a tree has leaves
And I have hair and
a kipah on my head.*

*In the winter nothing grows
But when it's spring,
they show up with a happy smile...
When the sun comes up
With a happy smile!*

*Flowers, flowers in the spring
Flowers are compared to anything
All of them are very pretty
When it starts to grow-it is itty bitty!
Not all times flowers grow
Only spring and summers so...
That's how much I express
Flowers do not text!
Purple, pink, yellow, red, green
No flowers are mean!*
