*Growth is expanding in knowledge  
Growth is expanding in respect  
Growth is expanding in your horizons  
And with growth the better your life will get!  
Growth doesn't happen on its own  
It takes time and patience to occur  
Growth helps you spiritually  
Just like a bud blossoms  
into a flower!  
~Jennifer Aghavian

*I am growing up, Daddy  
Don't you see?  
You gotta let me go  
Let me spread my wings  
I am growing up, Daddy  
Don't you see?  
I am going to explore the world, Daddy  
I'm going to be seen  
Let me go, Daddy  
I will do my best.  
~Yakov Eliav, 3rd Grade, Yeshivat Ohr Haiim*

*Once I went to the doctor to check my length  
He also told me that I have a lot of strength  
I love growing a lot  
But I like being little to play in my lot  
I look at my plant-it's growing, too  
I think all living things grow-even you!  
I'd love to grow a lot to have a job as a plumber  
And a fast racing runner.  
I think growing is my favorite thing!  
~Avraham Setareh-Shenas  
3rd Grade

*Every spring I grow fruits  
and vegetables  
We get vegetables every spring  
It is fun growing things!  
~Sarah Enayatian

*Like a flower in a garden  
My knowledge grows each day  
Tomorrow I hope to do the same  
The teachers teach  
As we sit and learn  
But I've got to admit  
My brain hurts!  
We start as a seed  
And we grow, grow, grow  
At the end, I'm one of the flowers  
In the garden of growth.
